— VOLUNTEERING —

Ever considered volunteering? Do you have 3 hours to spare once a week?

At Cambridge University Hospital (Addenbrooke's and the Rosie) volunteering is a long established part of hospital life. With a variety of different roles on offer there is bound to be something that suits you.

Some of the many benefits of becoming a volunteer with us include:

- A great way to meet people;
- An opportunity to help those in need without requiring any specific skills (All our volunteers have patient facing roles);
- Ongoing support through mentoring, training, forums, newsletters and social functions;
- A great way to keep fit (we have roles to suit many levels of fitness);
- Use of the on-site sports and leisure centre at staff rates (including large swimming pool) and other benefits.

Find out more information on our website:

<https://www.volunteering.cuh.org.uk/> or give us a call on 01223 254663.

We would love to hear from you.

EXTRA-ORDINARY GENERAL MEETING

Notice is hereby given that there will be an Extra-ordinary General Meeting of the Village Hall Management Committee on Thursday 12th July 2018 at 7.30pm in the Committee Room of the Village Hall, for the purpose of adopting a Resolution to the Trust Deed.

HAVE YOU SEEN THE 'LIBRARY IN A PHONE BOX' ON THE SPINE PATH?

The decommissioned phone box on the Spine Path at the junction of The Spinney and Pheasant Rise is now a small Library. You can take books, toys, CDs etc and leave ones of your own that you no longer require.

It is hoped that in the near future the phone box will be fitted with extra shelves to hold more goodies.

We are a mixed group who meet in the school on Friday evenings during term time from 7.30–10.00pm with a ½-hour break for refreshment – all for £1.50 each evening you play.

— YOUR BAR HILL NEWS —

The Residents' Association is looking to revamp the Bar Hill News.

Any suggestions on how to do this would be gratefully received.

Is there something not in there at present that you would like to see?

Any preference on how often the Bar Hill News is published? Some have suggested making it three-monthly only...

Please send ideas to the Editor on bhneditor@yahoo.com, or write to: Editor, 1 Hanover Close, Bar Hill CB23 8SE.

Thank you.

Deadline for July's edition: 15th June to bhneditor@yahoo.com or see page 2 for other contacts.

BAR HILL NEWS:

Editor:	Jan Cundy	jan_cundy@yahoo.com
Advertising Coordinator:	Bunty Waters	01954 201421

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. However, these may be made available should a written request be received. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com [a Word file is best, please] or hard copy via Parish Council Office.

— NWR —
**CONNECTING WOMEN WHO ARE
INTERESTED IN EVERYTHING
AND TALK ABOUT ANYTHING**

NWR is a national women's organisation with members who enjoy lively conversations both serious and light-hearted. It is for women of all ages who like to be informed and share ideas by actively participating in the content of meetings.

We promote friendship and self-confidence for lively minded women. We invite you to join us. Come along to one of our meetings – you'd be very welcome.

5th July ~~Balloon debate – based on a famous or infamous Duke or Duchess.~~

19th July Kitchen gadgets – what is your favourite most used kitchen gadget and, what gets left behind at the back of the cupboard that is never/hardly ever used but, seemed a good idea at the time.

2nd August What's in the news – bring a newspaper cutting and discuss with the group.

The Bar Hill NWR group meets informally in members' homes on alternate Thursday evenings at 8pm. We pay an annual fee of £23 and just £1 per meeting to cover local costs. If you would like more information or someone to accompany you to a meeting, please don't hesitate to call Marie-Thérèse Last on 01954 780329 or Bobby Colver on 01954 781662.

NWR can also be found on www.nwr.org.uk.

Why not have a look!

**christian
aid**

A successful collection was held in the village during Christian Aid Week in May, when thirty-eight volunteers from the church delivered

envelopes and called to collect them. The result was very close to what was received in 2017. The total was £2881.43, and Gift Aid adds about almost £300 to that. What is raised in Bar Hill compares favourably with the result in some other Cambridgeshire villages.

Several of our collectors met residents who were welcoming and encouraging, and warm responses made up for the few negative ones. Many of our residents have shown they are willing to do something to help those who live in less privileged parts of the world.

Thank you to all who took part, whether by contributing, collecting or helping with the administration.

— 8 O'CLOCK CLUB —

We are a women's group that meets on the first Thursday of the month in the lounge at the school at 8pm. The cost is £10 for the year plus 50p each month to cover the raffle and coffee.

We have a variety of speakers as well as an annual garden party, birthday party and Christmas meal. Our upcoming meetings are as follows:—

8 July – Garden party at Barbara's [152 Hillcrest] starting at 7.30pm – Members only;

2 August – School closed – no meeting.

If you'd like further information please phone Barbara on 01954 204171, Adela on 01954 204265, Ann on 01954 204687, or come along to one of our meetings. We'd be very pleased to meet you.

— HAPPY HOURS —

Our Club meets most Mondays in the Octagon building of Bar Hill Church and runs from 11am until 3pm with coffee, tea and light lunches. Our Summer lunch menu consists of salads (cheese, salmon or the weekly special which could be ham, corn beef, pork pie or quiche) or a ploughman's lunch (all at £2.30 each). Our aim is to provide friendship and companionship so why not come along and give us a try? You can have a good old natter, a game or two, or enjoy our other various activities. We would welcome new members.

~~Coming up in July and August:~~

It is with sadness that I have to report that Ruby Hunt, one of the founding members of the Happy Hours Club that was formed in 1989, passed away in June. Ruby was still coming to the club until fairly recently when failing health prevented further attendance. She will be greatly missed by all her friends.

Our new website is open: www.barhillpc.org.uk

If you have a genuine interest in the future of Bar Hill and can commit the time and energy to make a difference, we are waiting to hear from you.

Help... It would be of great assistance to the Council and community if everyone could check the other side of their garden fence to make sure it is clear of vegetation overhanging footways. Same for where boundaries meet with Council open green spaces, please keep clear so that it doesn't impede mowing and strimming by contractors, thank you.

The Council kindly requests that **anyone putting food out for the birds**, to please give consideration to ensuring that it is kept within the curtilage of their own property and in a manner so as to not encourage rats and mice, causing a problem for other residents.

Saddened to see so many of our bus shelters are sporting graffiti. This is not acceptable and is costing money from your Precept element of the Council Tax to keep up with painting over the graffiti, both inside and outside the bus shelters or wherever else it is found. These incidents are always reported to the Police and a crime number obtained; perpetrators found defacing Council assets will be prosecuted. Please let us know if you have any details since these additional costs divert funds from much needed village grounds maintenance and other projects. Unfortunately the Council had to put the meeting point shelter out of action after the hammock was found damaged. The manufacturers are investigating but we have received reports of some of this new equipment, including the new teatable installed in June, being used in a manner for which it was clearly not designed for. Again, this is being monitored and members of the public are asked to let the Council have names and addresses of perpetrators with dates and times so that it can be followed up.

We are delighted to have been awarded the prestigious Artsmark Silver Award. This is a celebration of our commitment to arts and cultural education. Our pupils have the opportunity to participate in a diverse range of arts and cultural experiences and consequently develop their knowledge, skills and understanding of this aspect of the curriculum.

I appreciate the fact that Bar Hill Primary School is at the heart of the Community and children, staff and parents alike enjoyed the Bar Hill PTA Fête on Friday. Many thanks to everyone involved in organizing it and to all those that attended and made it a happy event.

Bar Hill has always been a forward looking school. We are committed to providing high quality standards, through effective partnership working. On 1st June we became a member of the Cambridge Meridian Academies Trust. Working as part of a Trust will enable us to maintain our distinctive 'Bar Hill' ethos and at the same time share expertise and resources to maintain our commitment to excellence.

ChatHealth: a confidential text service for young people – do you need confidential advice and support from a School Nurse? Then contact this text messaging service for 13–19 year olds on 07480 635060. ChatHealth is an easy way for young people to confidentially seek help about a range of issues, make an appointment with a school nurse, or find out how to access other local services including emotional support or sexual health services.

Tips to keep you child safe in the sun:

- encourage your child to play in the shade – especially when the sun is at its strongest
- keep babies under six months out of direct sunlight, especially around midday
- cover exposed parts of your child's skin with sunscreen, even on cloudy or overcast days. Use one that has a sun protection factor (SPF) of 15 or above and is effective against UVA and UVB. Reapply often throughout the day
- be especially careful to protect your child's shoulders and the back of their neck; these are the most common areas for sunburn
- cover your child up in loose cotton clothes, such as an oversized T-shirt with sleeves
- get your child to wear a floppy hat with a wide brim that shades their face and neck
- protect your child's eyes with sunglasses that meet the British Standard (BS EN 1836:2005) and carry the CE mark – check the label
- if your child is swimming, use a waterproof sunblock of factor 15 or above. Reapply after towelling.

Travel Vaccinations – if you are travelling abroad this summer, please remember to check if you need any vaccinations. You can book a travel appointment with one of our nurses who will be happy to check for you.

Missed Appointments – in April there were 63 missed GP appointments in Willingham Surgery. This equates to 13 hours in consultation time lost, at a cost of *£1575. Please cancel your appointment if it is no longer required so we can offer it to someone else. (*An average GP appointment costs £25).

Carers Support Meetings – our next meeting is at Willingham Surgery on Wednesday 4th July at 2pm. If you are a carer, please pop along and get some support from other people in the local community. Refreshments provided, no need to pre-book and completely FREE!

Cambridgeshire Hearing Clinics – next Clinics at Willingham Surgery are on Wednesdays: 18th July, 15th August, 19th Sept. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

A&E is not an alternative to a GP appointment. If we are closed, please call 111, which will direct you to the best local service.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45-11.15am in the Octagon, term time only - (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

These sessions are not only for Childminders but also for any children aged 0-5 years and their parents/carers to attend - so come along and join us!

— DISTRICT COUNCILLOR NOTES —

Make-up of the Council following recent elections

On 23rd May the first council meeting post-election was held to make appointments for the forthcoming year. The Liberal Democrats secured a clear majority, so they made the appointments:

Council Leader – Bridget Smith

Deputy Leader – Aidan Van de Weyer

Finance – John Williams

Environmental Services and Licensing – Niel Gough

Housing – Hazel Smith

Planning – Tumi Hawkins

Customer Service and Business – Philippa Hart

Announcement of a 5 Year Land Supply

As of 21st May 2018, SCDC confirmed that it now meets the Government requirements for the provision of new housing land. Any new planning applications will not only have to meet national standards for planning but those set out in the emerging Local Plan.

I hope the new administration will see that decisions taken under the previous administration protected most of our villages in South Cambridgeshire from speculative development which would further swell small villages that struggle to cope with their existing infrastructure. It has always been my belief that it is better to have new settlements with the correct infrastructure (roads, schools, community facilities etc) in place rather than apply additional pressures to existing villages.

Residents and businesses in South Cambridgeshire are being offered free drop-in sessions and practical workshops.

From Monday 4th June, advice and support will be provided during regular times at the District Council's Cambourne offices by experts at Nwes, the UK's largest not-for-profit enterprise agency.

Around 900 new businesses start-up in South Cambridgeshire every year, with the district currently home to more than 8,100 companies.

The drop-ins and workshops are aimed at South Cambridgeshire residents who are thinking of starting a business, and owners and managers of existing local firms. They will focus on start-up companies or growing a business. Delegates wishing to attend can register their interest at openforbusiness@scambs.gov.uk or 03450 450 063.

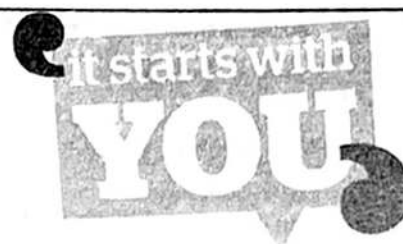

Those attending a drop-in will have the chance to speak with an Nwes Business Adviser about subjects around starting and growing a business. These one-to-one advice sessions last for around 30 minutes. Following the drop-in sessions, there may also be the chance for participants to sign-up for a further programme of support.

Additionally, a free workshop called 'first steps to start-up' is being made available. This will offer detailed insights into starting a business, and is tailored towards those considering ideas for new ventures. This will cover elements such as calculating start-up costs, registering with HMRC and the legal side of naming a firm. They'll also run through how to plan and present financial forecasts.

Separate free workshops aimed at existing business owners or managers are also offered. All the above sessions are free. If I can help with queries or other things please contact me:

Our local Healthwatch in Cambridgeshire and Peterborough are launching their 'It Starts With You' campaign to encourage more people to share their experiences of using local health and care service.

The campaign will run from July to September 2018 and will tell the stories of local people who are helping to improve the services we all use.

Last year, Jason, who is Deaf told us about visiting A&E and not getting a British Sign language Interpreter for over 7 hours even though he had a serious lung condition. Thanks to Jason and other people who shared their experience, we are challenging the local NHS to do better for disabled people.

Have you got a story to share? Tell us about your experiences and ideas to help services understand what works, what doesn't and what you want from care in the future.

No matter how big or small the issue, tell us about it. If it matters to you then it's very likely it matters to someone else.

Sharing your opinions with Healthwatch is quick and easy and could make a big difference. Tell us what you think and help make care better for you, your family and community. **Volunteer as a Community Listener** and help us find out what people who live locally think about their health and care services. You will get training, support and out of pocket expenses.

Call our free Information Service if you have a question about local health or care services and need some help with what to do next.

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment. Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

This month has been another challenge for residents of Bar Hill as work on the A14 upgrade progresses locally. I take my hat off to you all for being as patient and understanding as you are. I know we all acknowledge the benefits that the upgrade will bring but at the moment 2020 does seem a long way off. Progress though is good and delays on one section mean greater progress can be made on another so I am hoping that this is an indicator that the work will finish on time. The night closures do cause inconvenience but I have not had a lot of complaints about this from Bar Hill residents which supports my comment about you being patient and understanding.

One of the traffic issues that does seem to cause increasing concern though is the parking of HCVs on Trafalgar Way. It has been suggested that signage would help but I think that it needs a more comprehensive approach. I will be supporting the Parish Council to talk with the various agencies who might be able to help as well as the companies employing the worst transgressors to try to find a sustainable resolution. Please do contact me with the names of companies whose drivers you observe to be using this area regularly for free parking. The County Council's Road Safety team's work with schools was rewarded recently. The Barnabas Oley Primary School was the national winner of this year's STARS [Sustainable Travel Accreditation & Recognition] award for its efforts to increase walking, cycling and other forms of sustainable transport for journeys to and from school. Bar Hill Primary School has already achieved National Bronze Status and, as a result, was awarded scooter and bike storage.

Schools and pre-schools are just two of the beneficiaries of a social enterprise scheme in which the County Council works with Cambridgeshire Community Reuse & Recycling Network [CCORRN] on the Cambridgeshire Community Repaint scheme. Anyone with unused/surplus-to-requirements paint to dispose of can take it to the Household Recycling Centre at Milton. Once sorted and treated the paint is distributed either on a nominal charge basis or through a monthly award programme. To date 159 community groups, schools and pre-schools as well as low income households have benefitted from the scheme and around 21,000 people have enjoyed improvements to their environment and facilities. The scheme has also provided work experience and volunteering opportunities as well as community payback placements for over 70 individuals. Information about the types of paint that can be accepted can be found at: <http://www.ccorrn.org.uk/community-repaint>

A word of warning if you are driving to Cambridge station to drop someone off: bus lane cameras went live at the station on 1st June! Similar enforcement equipment has also replaced the out of date rising bollards at Emmanuel Road, Bridge Street and Regent Street/St Andrews Street. Described as 'bus gates' they restrict unauthorised traffic through the use of automatic number plate recognition cameras. By the time you read this fixed penalties will be in force.

Please do contact me about any concerns or questions you have about any local or strategic issue. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation.

**Honest advice with a smile,
we go the extra mile!**

— SCAM OF THE MONTH —

Scams are sadly a fact of life now and aren't going to go away so we all need to learn how to avoid them. They may come by any means of communication including in the post, face to face, via landline or mobile, online, email or social media.

Remember your ABC:

Anyone can spin you a yarn;

Be suspicious of any approach you receive that you have not initiated;

Caution should always be exercised – If it seems too good to be true, it probably is.

Currently there is a rise in **Romance Scams** –

The usual scenario is that you sign up to an online dating agency and meet someone who is also looking for love. You email/message each other for a few months until the person, who happens to live overseas, decides they want to come to the UK. However, they need help with money for the flight. You pay up to help your new friend – but he or she disappears, along with your cash.

To protect yourself –

Never send money to someone you don't know, however plausible they sound.

Report it to the dating site that arranged the introduction.

If you have been affected by this, or any other type of fraud, report it to Action Fraud by calling 0300 123 2040, or visiting www.actionfraud.police.uk.

They can also provide information and advice about numerous other types of fraud.

— NEIGHBOURHOOD WATCH —

While the cat's away the mice will play.

While you're away...

When going away on holiday and leaving your house empty, you can make your home look occupied to help deter burglars.

The advice is;

- ask trusted neighbours to keep an eye on your home, putting bins out and back on collection day and taking in any deliveries left on your doorstep.
- close and lock all windows and doors to your home, sheds, garages and outbuildings.
- don't post updates on social media, as this can advertise the fact your home is empty.
- use lights and a radio on timer switches to give the impression that someone is home.
- ask a neighbour or friend to park their car on your driveway.
- cancel regular deliveries for things like milk or newspapers.
- move valuable items such as laptops and mobile devices out of view through windows.
- if possible, ask someone you trust to open and close your blinds or curtains each morning/evening to give the appearance that someone is home.

And while you are at home this summer, be alert to what is going on in the area and never be afraid to report anything at all suspicious.

Wishing you a safe and happy summer, whether you are at home or away.

Pam Vendy, Village Co-ordinator

REGION'S LARGEST ART EVENT SET TO RETURN THIS JULY

Cambridge Open Studios has announced the 2018 dates for its month-long summer art event, which will feature an exciting range of exhibitions by 350 artists at 221 locations in the city and surrounding areas.

Artists will open their doors to the public over four weekends in July. Among the huge range of specialisms will be: fine art, photography, pottery, glass making, sculpture, illustration, textiles, jewellery and furniture making, and more besides.

The weekends are: 7-8, 14-15, 21-22, 28-29 July. Studios are open to visit between 11am and 6pm. However, as not all artists will exhibit every weekend it is important to check the website, or refer to the famous yellow guide. These guides will be widely available in local outlets including libraries, tourist information sites, galleries and selected shops.

Getting around

New for 2018 is a partnership between Cambridge Open Studios and ofo bikes. The partnership came about to help visitors hop between studios in central Cambridge without any traffic and parking problems using the handy bicycles for hire.

With a code printed in the COS yellow guidebook, visitors will be able to claim five free one hour ofo bike rides – just the ticket for travelling between city centre locations.

Find out more online

The studios are spread throughout the whole region, not just in the city centre. As usual, the distinctive yellow COS flags will be out to identify participating studios. In the months leading up to the open studio event, many artists will be running workshops, courses and exhibitions. Members of the public can keep up to date on their activities via the COS website (www.camopenstudios.co.uk) or by following them on Facebook, Twitter and Instagram using @CamOpenStudios, where they can also follow specific artists.

— JULY BULLETIN —

CAMBRIDGESHIRE

FIRE AND RESCUE SERVICE

As the weather brightens up and the sunshine starts brightening our weeks we welcome the longer, brighter nights and the opportunity to enjoy summer days and nights in the garden.

When powering up your BBQ's and putting out the garden furniture for the summer season, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

- If cooking outdoors, always check BBQs over after winter storage. Keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property
- Keep children and garden games well away from the cooking area and never leave the barbecue unattended
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly – never throw a lit cigarette into a field or wooded area
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location
- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent.

...did you know...

An amalgamation of a question mark (?) and exclamation point (!) is called an interrobang(?)! Its meaning reflects the union of the two symbols – with the question mark comes incredulity, doubt, and wonder; while the exclamation point indicates surprise, amazement, and intense emotion. The interrobang is a useful, though rarely used, punctuation mark.

You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own, and you know what you know. And you are the one who'll decide where to go. *Dr. Seuss*

THE FUTURE OF OLDER PEOPLE'S SOCIAL CARE

Help Healthwatch get older people's experiences of social care listened to by the government.

The government has announced that they will publish a green paper on care and support for older people by summer 2018. This will provide a basis for a discussion and ideas for future services.

Sandie Smith, our CEO, has joined a task group with Healthwatch England to make sure that older people's and carers' experiences are considered as part of this thinking. It is vital their experiences are at the centre of any conversation.

Social care is practical support for people who need help with everyday activities to live their lives as fully and as independently as possible. At its most basic, social care can include help with washing, dressing, getting out of bed on a morning, help with medicines and housework.

Care and support services are not free. Most people have to pay something towards their own care and some will have to pay for all of the costs.

At Healthwatch, we think it's important that people's experiences of social care and ideas for the future are fed into any policy development. We want to encourage as many people as possible to share their experiences of older people's social care with us.

This is only the start of the conversation, as the green paper will be subject to a full public consultation after it is published in summer 2018.

We're calling for your experiences – go to: www.healthwatchcambridgeshire.co.uk/content/have-your-say to tell us about your experiences, or call us on

0330 355 1285.
